

Miriam F. Lipton, Ph.D.

mlipton.phd@gmail.com | miriamflipton.com | U.S. Citizen

EDUCATION

Ph.D., History and Philosophy of Science Oregon State University <i>Dissertation: "The Struggle for Legitimacy: Soviet Microbiology and the Use of Bacteriophages During the Cold War"</i> <i>Advisor: Jacob Darwin Hamblin</i>	2025
M.S., Global Health Georgetown University <i>Thesis: "Potential Neglected Tropical Diseases in the Western Pacific Region: Chromoblastomycosis, Snakebites, Tick-Borne Diseases, and Taeniasis/Cysticercosis/Neurocysticercosis"</i>	2017
M.A., Russian, East European, and Eurasian Studies University of Oregon <i>Thesis: "Sex Education and Contraceptive Acceptance: From the Soviet Union to Russia"</i>	2014
B.A., General Science; Biology; Russian and East European Studies University of Oregon — Minor: Chemistry Cum Laude	2010

POSTDOCTORAL APPOINTMENTS

ORISE Postdoctoral Research Fellow Air Force Research Laboratory (AFRL) History Office, 711th Human Performance Wing — Wright-Patterson Air Force Base U.S. Department of Defense — Administered by Oak Ridge Institute for Science and Education (ORISE) • Original historical research, analysis, and writing on science and technology activities at AFRL spanning more than 100 years	Sep 2026 – Present
--	--------------------

WORK EXPERIENCE

Senior Essay Reader Oregon State University — Honors College	Oct 2021 – Jun 2025
Essay Reader Oregon State University — Honors College	Nov 2020 – Feb 2021
Head Researcher and Writer Oregon State University — Special Collections and Archives Research Center paulingblog.wordpress.com	Mar 2019 – Jan 2024
Graduate Teaching Fellow Oregon State University — History Department • U.S. and World History courses	Sep 2018 – Jun 2024
Consultant World Health Organization — Western Pacific Regional Office • Neglected Tropical Diseases, Malaria, Risk Management, and COVID-19	May 2017 – Jan 2024
Program Specialist (GS-09, Series 0301) National Institutes of Health — Laboratory of Genitourinary Cancer Pathogenesis	Oct 2015 – Jul 2018

Graduate Teaching Fellow University of Oregon — Russian Department	Jan 2013 – Mar 2014
• Spoken Russian and Soviet History courses	
IT Support Assistant University of Oregon — Academic Extension	Jan 2012 – Jun 2012
Graduate Teaching Fellow University of Oregon — Chemistry Department	Sep 2011 – Dec 2011
• General Chemistry Lab course	
Biology Fellow University of Oregon — Biology Department	Jan 2010 – Jun 2010
• Diseases of Africa course	
Chemistry and Math Tutor University of Oregon — Support Services for Student Athletes	Jan 2009 – Mar 2010
English Language Instructor Communicative Language School — St. Petersburg, Russia	Sep 2007 – May 2008
English Discussion Leader Yesod Jewish Community Center — St. Petersburg, Russia	Sep 2007 – May 2008

PROFESSIONAL CONSULTANCIES

Technical Writer, Editor, and Researcher World Health Organization — Western Pacific Regional Office and Korean Country Office — Neglected Tropical Diseases	2021
Technical Writer World Health Organization — Philippines Country Office — COVID-19 Response	2020–2021
Policy Writer World Health Organization — Western Pacific Regional Office — Risk Management	2018
Special Rapporteur World Health Organization — Western Pacific Regional Office — South Korea — Foodborne Trematode (FBT)/Taeniasis Elimination	2017
Special Rapporteur World Health Organization — Western Pacific Regional Office — China — Schistosomiasis (SCH) Control	2017
Special Rapporteur World Health Organization — Western Pacific Regional Office — Cambodia — Regional Programme Review Group (RPRG) Conference on Neglected Tropical Diseases (NTDs) and Post Elimination Conference of NTDs	2017

FELLOWSHIPS, SCHOLARSHIPS, AND AWARDS

Dissertation Completion Award Graduate School, Oregon State University	2025
Oregon Lottery Graduate Scholarship Graduate School, Oregon State University	2024
Residency Fellowship (<i>declined</i>) Brocher Foundation	2023
Open Research Laboratory Summer Research Fellow University of Illinois Urbana-Champaign	2023

Sydney Brenner Research Fellowship Cold Spring Harbor Laboratory	2022
Residency Fellowship (<i>declined</i>) Brocher Foundation	2022
Oregon Lottery Graduate Scholarship Graduate School, Oregon State University	2022
Cain Dissertation Fellow Science History Institute	2022
Maurice A. Biot Fund Grant-in-Aid California Institute of Technology	2021
Oregon Lottery Graduate Scholarship Graduate School, Oregon State University	2021
PhD Research Support Grant American Institute for the History of Pharmacy	2021
Virtual Four-Month Doctoral Fellowship Linda Hall Library	2021
W. Stull Holt Dissertation Fellowship The Society for Historians of American Foreign Relations	2021
Small Grant Recipient American Society for Legal History	2020
Oregon SYLFF Award for International Research Ryoichi Sasakawa Young Leaders Fellowship Fund	2020
Phi Kappa Phi Oregon State University	2020
Stephen Straker Memorial Fellowship Columbia History of Science Group	2020
Provost Scholarship Oregon State University	2019
Critical Language Scholarship U.S. Department of State — Nizhny Novgorod, Russia	2019
Stephen Straker Memorial Fellowship Columbia History of Science Group	2019
Phi Beta Kappa University of Oregon	2010
Commencement Speaker University of Oregon	2010
Tatiana Gorokhovskaya Scholarship for Excellence in Advanced Russian University of Oregon	2010
Critical Language Scholarship U.S. Department of State — Kaliningrad, Russia	2009
Mortar Board University of Oregon	2008–2010
Council on International Educational Exchange (CIEE) Scholarship University of Oregon	2007

National Society of Collegiate Scholars University of Oregon	2007–2010
Dean's List University of Oregon	2005–2010
Society of College Scholars University of Oregon	2005–2010
Dean's Scholarship University of Oregon	2005–2010

RESEARCH AND PUBLICATIONS

Research Languages

Russian (full professional) and English (native)

Articles / Book Chapters

- "Reuse, Repurpose, and Recycle: Bacteriophage and Microbial Surveillance (1921–2023)." *Phages*. Volume 5. No. 1. 2024. <https://doi.org/10.1089/phage.2023.0042>
- "Soviet Bad Science: The Microscopic Cold War Battle of Antibiotics." *The Hedgehog*. No. 68. Winter 2022.
- "The Soviet Resonance Controversy." *Visions of Linus Pauling*. World Scientific Publishing Company. September 2022 (Chapter 5). <https://doi.org/10.1142/12977>
- "Bacteriophages and Cholera: A Story of Soviet Medicine in the Cold War." *Distillations*. October 19, 2021.

Book Reviews

- Review of *The Soviet Union's Agricultural Biowarfare Programme: From Ploughshares to Swords* by Anthony Rimmington. *Technology and Culture*. April 2022, Volume 63.
- Review of *Cold War Resistance: The International Struggle Over Antibiotics* by Marc Landas. *Social History of Alcohol and Drugs*. Volume 36, Issue 1. 2022.
- Review of *Pharmapolitics in Russia: Making Drugs and Rebuilding the Nation* by Olga Zvonareva. *Social History of Alcohol and Drugs*. Volume 35. 2021.
- Review of *The Environment and International History* by Scott Kaufman. *Journal of Contemporary History*. Volume 56. 2021.

ORGANIZATIONAL MEMBERSHIP AND ACTIVITIES

Member History of Science Society	Sep 2022 – Jun 2025
Editorial Board Member (In Vivo) <i>Endeavour</i>	Sep 2022 – Jun 2025
Radio Host, Inspiration Dissemination KBVR — Oregon State University	Dec 2021 – Jun 2025
Member Association for Slavic, East European, and Eurasian Studies	Oct 2020 – Jun 2025
Member Society for Historians of American Foreign Relations	Oct 2020 – Jun 2025
Member American Society for Legal History	May 2020 – Dec 2021

TEACHING EXPERIENCE

Oregon State University

- HST 201: History of the United States (Instructor of Record)
- HST 203: History of the United States (Instructor of Record)
- EAH 411: Perspectives in Environmental Arts and Humanities (Instructor of Record)
- HST 104: World History: Ancient Civilizations (Teaching Assistant)
- HST 103: History of Western Civilization (Teaching Assistant)
- HST 202: History of the United States (Teaching Assistant)

University of Oregon

- RUSS 121: Spoken Russian (Instructor of Record)
- CH 227: General Chemistry Laboratory (Instructor of Record)
- Soviet History (Teaching Assistant, Volunteer)

INVITED TALKS

"It's All in the (Microscopic) Details: Soviet Bacteriophage Therapy After Stalin" Feb 2023
Variable Viruses: The Past, Present, and Future of Bacteriophage Research — University College Dublin

"An Alternative to Antibiotics: Soviet Bacteriophage Therapy and its Role in Cold War Politics"
Oct 2022
History of Medicine Lecture Series — University College Dublin

CONFERENCE PRESENTATIONS

"Confirmation Studies: Bacteriophage Genetics and What It Meant for Soviet Science" Jan 2026
Sydney Brenner Fellowship Symposium — Cold Spring Harbor Laboratory

"The DNA of Bacteriophages: The Role of Genetics in Soviet Microbiology" Nov 2024
History of Science Society Annual Meeting — Mérida, Mexico

"The Anti-Antibiotic: Soviet Rejection of Antibiotics in Favor of Alternatives" Mar 2024
MEDIRISC — Medicine, Risks, and Crises Conference — Paris, France

"Better Together?: Soviet Combination Antibiotic and Bacteriophage Therapy" Jun 2023
Ecologies of Health and Disease in Eurasia Workshop — Oslo, Norway

"The Stages of Phages: From Therapy to Genetics, the Changing Values of Bacteriophages in the United States from the 1930s–1960s" May 2022
Environmental Arts and Humanities Annual Conference — Oregon State University

"Penicillin's Promise: The Rise of Resistance and the Fear of its Reality in the 1950s and 1960s"
May 2021
Environmental Arts and Humanities Annual Conference — Oregon State University

"What to Do When Bee Poop is the Answer?" Mar 2019
Columbia History of Science Group — Friday Harbor, Washington

"Sex Education and Contraceptive Acceptance: From the Soviet Union to Russia" Apr 2014
Association for Women in Slavic Studies Conference — Atlanta, Georgia

"Cholera in Russia in the Late Nineteenth Century: The Role of the Government, the People, and the Medical Community"

Jul 2012

Association for Medical Humanities Annual Conference — Cork, Ireland

INTERNSHIPS

Federal Bureau of Investigation

Jun 2021 – Jan 2022

- Portland Field Office
- Cleared for Top Secret Information and Granted Access to Sensitive Compartmented Information

World Health Organization

Jan 2017 – Mar 2017

- Western Pacific Regional Office, Manila, Philippines
- Malaria, Vectorborne, and Parasitic Diseases Unit. Focused on Malaria frameworks, Global Fund applications, and literature reviews for potential Neglected Tropical Disease (NTD) candidate diseases

U.S. Department of State

Sep 2012 – Jan 2013

- Environment, Science, Technology, and Health Section, Moscow, Russia
- Reported to Washington, D.C. on health and science issues in Russia. Security Clearance

VOLUNTEER EXPERIENCE

Peer Navigator and Message Board Moderator

Jul 2026 – Present

FORCE — Facing Our Risk of Cancer Empowered

WRITINGS

2022

"Horror in Fiction." *Inspiration Dissemination*. May 2, 2022.

"Red, Red, (smoky) Wine." *Inspiration Dissemination*. April 24, 2022.

"M.A. Student Kathleen McHugh Presents at Columbia History of Science Group." *Oregon State History and Philosophy of Science Blog*. March 15, 2022.

"Ph.D. Candidate Presents at American Historical Association Conference (part 2)." *Oregon State History and Philosophy of Science Blog*. March 6, 2022.

"Ph.D. Candidate Presents at American Historical Association Conference (part 1)." *Oregon State History and Philosophy of Science Blog*. March 4, 2022.

"M.A. Student Volunteers as Oregon History Day Judge." *Oregon State History and Philosophy of Science Blog*. March 2, 2022.

"Home Economics as a Science." *Inspiration Dissemination*. February 13, 2022.

"New Review out for Ph.D. Candidate Aimee Dávila Hisey." *Oregon State History and Philosophy of Science Blog*. February 10, 2022.

"M.A. Student Set to Present at Several National Conferences." *Oregon State History and Philosophy of Science Blog*. January 27, 2022.

2021

"Book Review Published by PhD Candidate Aimee Dávila Hisey." *Oregon State History and Philosophy of Science Blog*. November 16, 2021.

"First Year History Master's Students Learn About Professional Development." *Oregon State History and Philosophy of Science Blog*. November 23, 2021.

"Ph.D. Candidate Wins Teaching Award." *Oregon State History and Philosophy of Science Blog*. November 15, 2021.

"A Resonating-Valence-Bond Theory of Metals and Intermetallic Compounds, 1949." *The Pauling Blog*. November 3, 2021.

"The Nature of Intermolecular Forces Operative in Biological Processes, 1940." *The Pauling Blog*. October 27, 2021.

"The Nature of Interatomic Forces in Metals, 1938." *The Pauling Blog*. October 20, 2021.

"The Theoretical Prediction of the Physical Properties of Many-Electron Atoms and Ions. Mole Refractions, Diamagnetic Susceptibility, and Extension in Space, 1927." *The Pauling Blog*. October 13, 2021.

"Ava Helen Miller in Corvallis, 1921–1923." *The Pauling Blog*. October 6, 2021.
